

2019 Sponsorship Proposal

Fourth Annual Wine & Dine

MAKE A DIFFERENCE

...and have *fun* doing it.

WHO IS ONE WING FOUNDATION?

One Wing Foundation was founded by the Aldredge and Schlieve families, who both lost their first born babies to stillbirth in 2015. Together they channeled their grief by creating the One Wing Foundation to help make a difference and lend a voice to those who have lost a child to pregnancy or infant loss.

Our mission is to raise funds and distribute financial assistance to non-profit organizations that provide resources for the medical, physical and emotional recovery of bereaved parents who have experienced pregnancy or infant loss in the State of Texas.

IT'S A WIN-WIN.

Sponsoring a One Wing Foundation event provides you the unique opportunity to connect with the pregnancy and infant loss community, to build brand awareness and show your company's support of an important cause.

Each event reaches a different key audience segment and provides a fun, entertaining and engaging way for you to include clients, vendors, and employees. Feel good about supporting the local pregnancy and infant loss community as you enjoy a unforgettable event.

WE'LL FIND THE RIGHT FIT.

Are you a foodie or wine aficionado who would enjoy taking part in a meaningful celebration in an intimate setting?

Then our **Wine & Dine** is right for you. Learn more about sponsoring this evening and how you can make an immediate impact.

WHY SPONSOR ONE WING?

- 15-20% OF ALL CLINICALLY RECOGNIZED PREGNANCIES END IN MISCARRIAGE EACH YEAR
- 1 IN 4 WOMEN WILL LOSE A BABY DURING PREGNANCY, DELIVERY, OR INFANCY
- STILLBIRTH AFFECTS APPROXIMATELY 1% OF PREGNANCIES ANNUALLY IN THE UNITED STATES (24,000 BABIES)
- IN 2016, IT WAS REPORTED THAT 24,000 BABIES DIED DUE TO BIRTH COMPLICATIONS OR WITHIN THE FIRST YEAR OF LIFE DUE TO SIDS OR GENETIC ABNORMALITIES
- 90,000 CHILDREN DIE ANNUALLY IN THE UNITED STATES BEFORE THEIR 1ST BIRTHDAY; 50% OF THE TIME THERE IS NOT EXPLANATION

One Wing Foundation was founded on the promise to help instill hope, healing, and perseverance. We are a private foundation created to provide financial assistance to non-profit organizations serving bereaved families of miscarriage, stillbirth or infant death.

We support education, research, programming, items for comfort and healing pertaining to pregnancy and infant loss.
